ECOMANIACS

BAMBOO FIBRE STRAWS

Available in both beige and black, our 100% biodegradable Bamboo Fibre Straws are as durable as plastic, but with all the eco-friendly credentials. These straws boast a sleek and contemporary design that complements any drink or setting.

THE GAME CHANGER HAS ARRIVED!

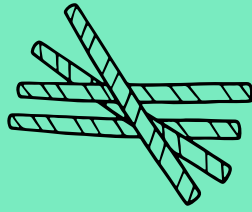

FULLY BIODEGRADABLE

Bamboo is the fastest growing plant on Earth and can grow up to one metre tall in a day. Made from bamboo fibre, these straws are a sustainable alternative to single-use plastic straws, helping to reduce plastic waste and environmental impact.

A SUSTAINABLE FUTURE IN YOUR HANDS

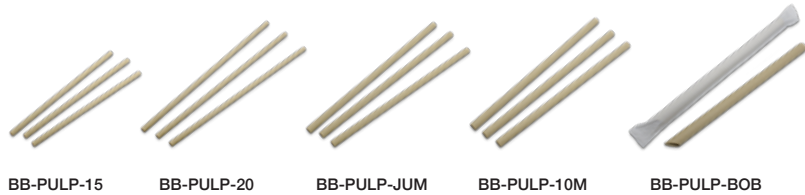

STRAWS

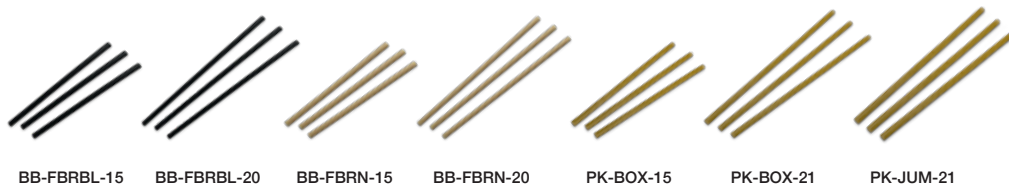

Our eco-friendly straws are made from the most sustainable materials such as agave and bamboo. We offer a wide range of sizes and colours for a variety of cold drinks, cocktails, smoothies or milkshakes. These straws are 100% biodegradable and a vastly superior alternative to plastic straws.
